21b - RACING CARS 1601 TO 2000 c.c. (Forced Induction)	28.00
22 - RACING CARS OVER 2000 c.c.	27.67

The class target time will be the best time set in each class by a registered Gurston Championship contender in the previous three seasons in which times in the class were set. Target times will be published before the first event of the season. Target times will be updated annually as required so that year on year they reflect the state of competitiveness in each class as recently as possible (without making changes during a season)
